Deborah Bradley has been assigned the overall responsibility to implement the Company's legally required affirmative action programs related to individuals with a disability and protected veterans. As part of that responsibility, the EEO Coordinator will implement and administer an audit and reporting system to ensure compliance with the Company's affirmative action obligations, periodically measure the effectiveness of the affirmative action programs, and identify any areas for potential remedial action, as appropriate.

If you, as one of our employees or as an applicant for employment, have any questions about this policy or would like to view portions of the Company's affirmative action programs for individuals with a disability or protected veterans, please contact **Deborah Bradley** during regular business hours.

The Company's top United States executive endorses this equal opportunity policy statement and asks for all personnel to assist and support equal employment opportunity for all.
